Re: Summer practical course / training (June - September) for students (Bulgarian or foreign citizens)

Dear Prof. Pashova,

Bulgarkontrola S.A. offers one-week training program with locations: main office of the company at Sofia and offices at Varna and Bourgas.

The a/m training includes:

- commodities inspection (quantity and quality);
- sampling procedures, testing of samples at an accredited laboratory;
- conformity assessments of products (lifts, construction products and toys);
- inspections of playgrounds according to European Playground Standards - Safety requirements (Bulgarkontrola's Inspection Body - Accreditation Type A);
- organic certification (Bulgarkontrola's Organic Inspection and Certification Body).

During the training will be conducted lectures, practical sessions and consultations with lecturers. Participants/trainees in the training will be divided into groups according to interests and will receive a detailed program of training topics and subtopics.

For all trainees we shall provide visiting the natural, cultural and historical sites in the country.

The amount to be paid includes all costs without transportation to/from Bulgaria.

I hope you be interested in project for practical training and expect your opinion.

Sincerely,
Nikolay Atanasov,
Executive Director
of Bulgarkontrola S.A.
